Results of Checks

Results of police records checks are only provided to the applicant and cannot be advised by e-mail or over the phone. It is important to note that this is in order to protect the privacy of the applicant.

Victoria Police recommends that consideration of the information contained in the National Police Certificate provided by the applicant to a potential employer should form only one part of the assessment process for the applicant’s suitability for employment/voluntary purposes.

In forming assessments, the organisations should consider the relevance of the National Police Certificate information to the specific purpose of the check. Where relevant information is provided, the organisation should take into account:
- the scope of the applicant’s criminal history
- the nature of the offence and the relationship of the offence to the particular position/profession
- the period of time that has elapsed since the offence took place
- whether the offence was committed as an adult or juvenile
- the severity of any penalty imposed

After taking these points into consideration as part of an overall decision making process, the suitability of the applicant remains with the organisation.
Information on a National Police Certificate

The use and retention of the information contained on the National Police Certificate may be subject to State or Commonwealth legislation. The recipient is therefore urged to make their own enquiries with respect to any applicable legislative obligations or requirements.

Applicants who dispute information recorded on the National Police Certificate should write to:

Eligibility for Reduced Fee for Authorised Organisations

Victoria Police offers a reduced fee for issuing National Police Certificates for volunteers of authorised organisations, student placements and persons who qualify under the Family Day Care scheme as an adult (18 years or over) residing with a Family Day Care provider.

Eligible applicants undertaking volunteer duties must not receive any form of payment for the services that he/she performs for the organisation. Reimbursement of direct expenses (for example, petrol expenses) will not disqualify the organisation from the reduced fee. Police records checks on current and prospective paid employees of the organisation are subject to the full fee.

Eligible applicants must ensure that the relevant sections of the application form are completed and includes a Victoria Police issued CVF Number.
Applying for a Community Volunteer Fee (CVF) Number

Organisations can make an application by completing ‘Obtaining a Community Volunteer Fee (CVF)’ Number Application Form. A copy of the form can be obtained by downloading it from the Victoria Police website www.police.vic.gov.au or by contacting the Public Enquiry Service on 1300 881 596.

The completed application should be forwarded to:
CVF Coordinator
Public Enquiry Service
GPO Box 919

Victoria Police advises organisations in writing if they are approved to access the reduced fee and of the specific procedure to follow to ensure that entitlement to the reduced fee is recognised. Organisations are not eligible for the reduced fee without specific authorisation from Victoria Police. Therefore, applications for National Police Certificates of eligible applicants must not be forwarded to Victoria Police until the organisation is advised of the outcome of the CVF application.

Although your organisation may have authorisation to conduct police records checks on eligible applicants at a reduced rate, record checks on current and prospective paid employees of the organisation are subject to the full fee.
